

Report of the Workshop conducted on use of “Technology in Education and English Learning”

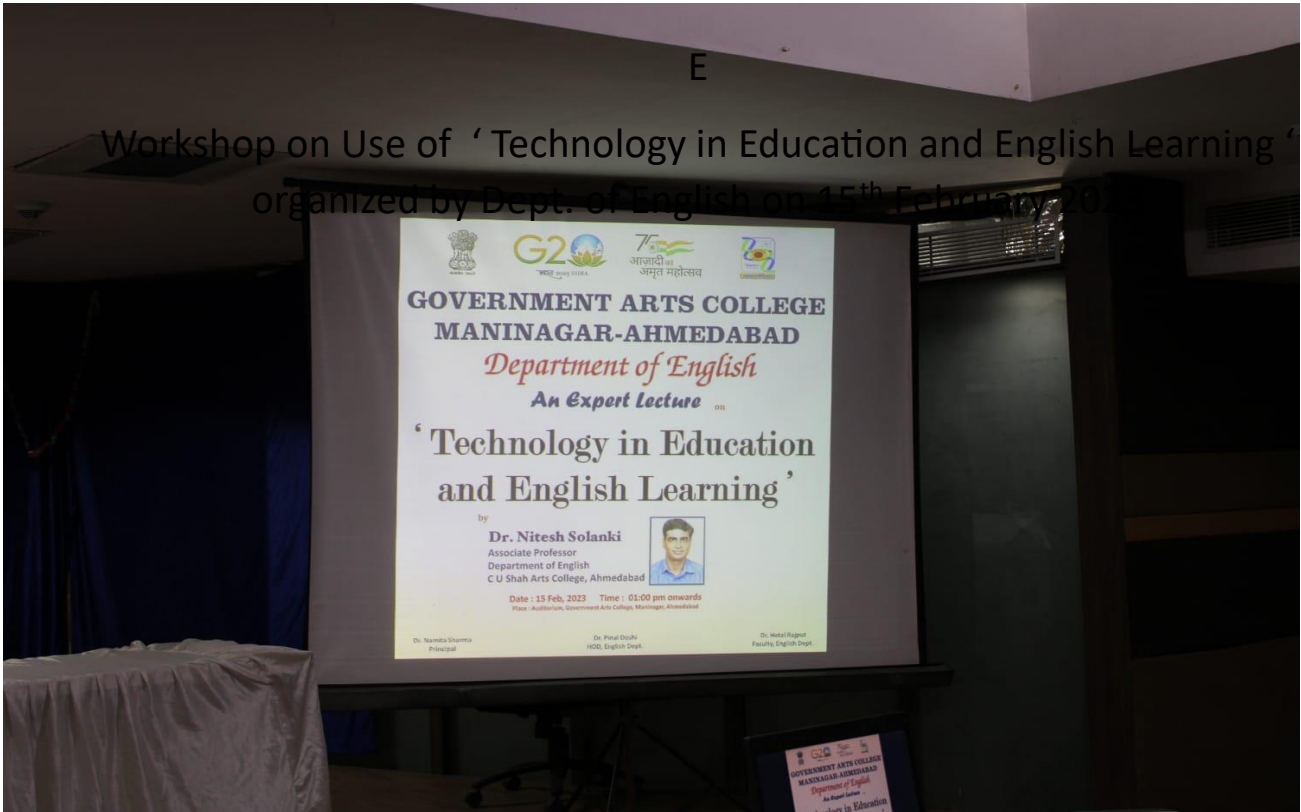

Dr. Pinal Doshi

Head, Dept. of English

- A workshop titled ‘Technology in Education and English Learning’ was organized by Dept. of English on 15th February 2023 in the college auditorium.
- Dr Nitesh Solanki, Associate Professor of English of Sadguna C. U. Shah Arts College, Ahmedabad, an expert of digital technology usage, conducted a session on how technology and digital tools can be used in Education especially for English language teaching and learning.
- Students were given information about various e resources, mobile apps and web tools which can be used for Educational purpose and English Language learning. Students were given hands on experience on how to use these e resources, mobile applications and web tools to enhance their English Language skills.
- The workshop was organized and co ordinated by Dr. Pinal Doshi, head department of English and Dr. Hetal Rajput, faculty department of English under the able leadership of principal Dr. Namita Sharma.
- Around 200 students enthusiastically participated in the lecture cum workshop. The session was highly interactive and the students found it very interesting and enriching. It enhanced their digital acumen and helped them to learn its application in Education.
